

A garden, when it's done right, is much more than a beautiful asset to your home. A great garden reaches out and welcomes you as you approach it. It envelops you in color and calm when you need a place to rest. It delights your guests when you entertain. And it is the very first place you think of going when you need to do a little daydreaming. Because a garden – a truly great garden – is itself nothing less than a dream come true.

Tuttle House Gardens is in the business of growing your dreams. We know that if you are thinking of landscape or garden design, you've been dreaming of an extraordinary outdoor space for a long time, and we believe your investment deserves the best possible results. We invite you to take the first step in discovering what Tuttle House Gardens and landscape design can do for your home, and your dreams, by contacting us for an initial visit.

DESIGN

Whether your dream garden is just a few ideas on a scrap of paper or a detailed and definite vision, Tuttle House is here to collaborate, design, and refine with our comprehensive design services. We provide complete CAD drawings so you have a thorough understanding of what your garden will look like before the first trowel is turned!

INSTALLATION

Our installers are second to none, providing professional, timely and tidy installation services so you can begin enjoying your garden as soon as possible.

RESTORATION

For existing gardens or landscape designs that have overgrown or need updating, we offer complete restoration consultation and services.

CONTAINERS

Planters, window boxes and other containers can bring a breath of fresh air and a splash of color to patios, balconies, small yards, or commercial spaces. We offer complete container programs including design and upkeep throughout the seasons.

EVENT PREPARATION

A beautiful garden or patio creates a truly memorable event. Tuttle House proudly offers innovative, colorful and exceptional event concepts for outdoor spaces, patios, or wherever you're planning your next night to remember.
